

Chapter Survey

CHAPTER: # ____ TITLE: _____ pp ____ - ____

1. Think for a moment about the title of this chapter and what you already know about this topic. Then, think about what you would like to learn about this topic. Write four specific questions that you would like to find the answers to in this chapter:

1. _____
2. _____
3. _____
4. _____

2. Number and list the titles and page numbers of the articles (an article is 1 page or longer) in this chapter:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

(use an additional paper if necessary)

3. Journal Entries: (list entry number and page numbers)

Discovery - _____ , _____ , _____ , _____ , _____

Intention - _____ , _____ , _____ , _____ , _____

Discover / Intention - _____ , _____

Practical Critical Thinking - _____ , _____ , _____ , _____

4. Exercises: (list number, title, and page numbers)

5. ARTICLES:

Choose any three articles and write a summary for one, an outline for another, and a concept map for the third. Staple to this paper.

6. JOURNALS:

Choose one discovery, one intention, and one discovery/intention statement to write - three total. (each should be about one page). Staple to this paper.

7. Finally, revisit the questions you wrote at the beginning of the chapter. Were they answered in the chapter? Write the answers to your questions below. If your question was not answered, describe what you will do and where else you will go in order to find the answer.

1. _____
2. _____
3. _____
4. _____
